WHY ELEGANT EARTH?

- Natural motifs enter the realms of urban sophistication when they join forces with metallics, pearlescent inks and specialty textures (**The Collection**)
- Organic shapes are redefined as abstract art when clothed in metallic texture and shimmer (Patterns **Squareburst**, **Native Leaves**, **Temperate Veil**)
- Organic grass is still the dominating force in wallcoverings today (Pattern **Abaca Weave**)
- Vines return as the next pattern force in botanical prints (Pattern **Eucalyptus Trail**)
- Weaves bring the texture and feel of organic fibers to life (Pattern **Heathered Wool**)
- Time-worn finishes inspire textural elegance in abstract forms (Pattern **Weathered**, **Concrete Patina**)
- Organic components combined with modern technologies make specially products unique (Pattern **Dunes**)
- Textural handcrafted applications combine with natural motifs and organic fibers for luxurious layering effects (Pattern **Bamboo Grove**, **Woodland Twigs**)
- Geodes, minerals and gems' natural patterning has become synonymous with elegance (Pattern **Kaleidoscope**)

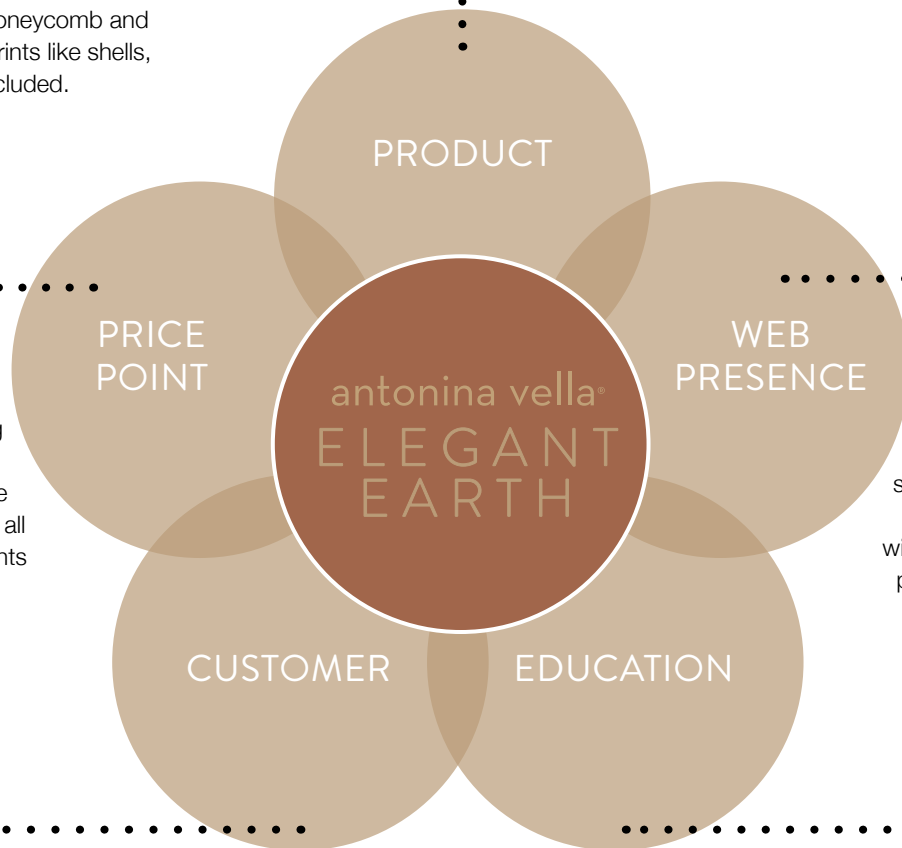

WHO ARE WE SELLING TO?

The Elegant Earth collection of lustrous patterns is inspired by organics that shimmer. Both natural geometrics like honeycomb and gemstones and animal prints like shells, feathers and skins are included.

Mid-level pricing additionally befits the exclusive look of these luxurious goods, allowing for use by all who aspire to designer living. Sample books, and sampling are all offered at various discounts depending upon the customers' agreements with York Wallcoverings.

Elegant Earth is a designer collection. The product offered is recommended to be hung by a professional installer. This collection will shine in better retailers, trade only showrooms, and as a mainstay addition to any designer's library.

The Elegant Earth collection can be found on yorkwall.com via the products link under York Designer Series - subcategory Antonina Vella. Digital marketing tools will be available for customer promotion purposes online.

All shimmer within this collection is achieved with pearled and metallic inks, created in combination with deep emboss to give the textural look of high-end specialty goods.
