

GREENHOUSE
DESIGNED TO INSPIRE

YORK
WALLCOVERINGS

GREENHOUSE

In the greenhouse, life lives close at hand, embodying our connectivity to nature through the beauty of plants and flora grown in a simple surround of rustic craftsmanship, and charming, utilitarian style.

DESIGN & MANUFACTURING

The York Wallcoverings design studio's innovative styling marries each design to the perfect technologies. With every type of wallpaper printing press available in house at York, design interpretation through screen, gravure, rotogravure, surface, embossed vinyl, and digital presses become a canvas for self-expression. This essential hands-on creativity pervades the York manufacturing process, bringing each artistic vision to print reality.

York manufactures all wallcovering product types, including residential, commercial grade, high performance, acoustical, and peel and stick. Here, York's combined technologies, handcrafting, and authentic surface print techniques create a manufacturing mastery of heritage and innovation. Our design studio, manufacturing process, and distinguished heritage make York the preeminent provider of fine wallcoverings in the interior design industry.

Drawing from our past, the York Archives provides access to thousands and thousands of document designs dating back to the early 18th century. York's revered Archives are an inexhaustible source of inspiration and reference for the artists, designers, and stylists who create the beautiful images that become York wallpapers.

Look for this logo throughout the catalog to find York Archives designs.

Surface Print is the oldest automated printing method still in use today which utilizes raised images on an engraved roller to transfer colors to a continuous reel of paper. A heavy lay-down of inks, wet-on-wet printing, and a less exact image outline give this type of printing a very distinct look that is impossible to duplicate with modern presses.

Look for this logo throughout the catalog to find Surface Print Designs.

DAHLIA BLOOMS

Crewel embroidery florals inspire the flowering branch pattern
Dahlia Blooms.

GREENHOUSE

DESIGNED TO INSPIRE

ABOUT THE COLLECTION

In the greenhouse, life lives close at hand, embodying our connectivity to nature through the beauty of plants and flora grown in a simple surround of rustic craftsmanship, and charming, utilitarian style.

ABOUT YORK WALLCOVERINGS

Created to cover the diversity and overarching themes which drive the home decor industry, the York wallpaper brand collections create an umbrella of distinctive and popular design options for walls inspired by social, trend and fashion influences.

SURE STRIP® WALLPAPER

The newest generation of wallcoverings, Sure Strip® Wallpapers utilize a special high performance paper in combination with a technically advanced adhesive formulation to make installation easy and future removal even easier.

• REVOLUTIONARY NEW PAPER • ENVIRONMENTALLY FRIENDLY INKS •
PREPASTED – WASHABLE

Sure Strip® Wallpapers are the easiest wallpapers you'll ever put up...or take down.

NON-WOVEN

Non-woven is a blend of compressed natural cellulose and synthetic fibers that forms a high-quality wallcovering base. It does not expand and contract with moisture yet is breathable and resistant to tearing. Seams match simply, with paste being applied either to the wallpaper back or directly to the wall. Non-woven hangs and repositions with ease and removes in full strips. Once applied, the finish has a textural hand associated with upmarket installations.

ROLL SIZE

Unless noted with an asterisk (*), all double rolls of wallpaper in this collection are:
27" wide x 27' long totaling 60.8 sq. ft (68,5 cm x 8,2 m or 5,6 m²)

*These are wall murals. Please see dimensions on roomsets.

IMPORTANT

When you receive your order, please check to make sure that the design, color and quantity are correct. Also, please examine the wallcoverings for imperfections before cutting and hanging. We will replace defective merchandise, but will not be responsible for labor costs. Discolorations caused by unneutralized plaster or improper wall preparation are also not covered by this warranty.

RETURNS

Wallcovering returns must be pre-authorized and are subject to a restock handling charge plus return freight. All returns must be made within 60 days of our shipping date. Cut rolls are not acceptable for credit.
