ANTIQUE TIN TILES

VOLUME 4

KOZIEL porte le nom de son fondateur et directeur artistique :
Christophe Koziel.

Maison française d'édition de décoration murale, KOZIEL s'est prise
d'amour pour l'univers du trompe-l'œil.
Authenticité des effets photographiques, originalité des propositions
artistiques et respect des matières originelles résument la démarche
créative atypique de la marque.

Electron libre qui théâtralise la décoration intérieure, chacune de ses
créations exclusives s'affiche comme le fidèle reflet de cet état d'esprit :
un courant d'air frais, léger et singulier.

KOZIEL bears the name of its creator and artistic director :
Christophe Koziel.

French publisher of wall decoration, KOZIEL devots itself to
the art of the trompe l'œil.
Respecting the essence of the original materials while combining
the authenticity of the pictures and the originality of the artistic
proposals... this characterizes the brand's creative process.

As a free spirit that set up the scenery into the world of interior design,
each and every of its unique creations follows on from this approach as
a breath of fresh air.

COLLECTION TIN TILES VOLUME 1

Les catalogues virtuels (versions PDF et on-line) ont été optimisés pour un meilleur confort de lecture et d’observation sur écrans.

Les catalogues en version papiers traditionnels (fournis aux clients professionnels) sont présentés et mis en page de façon différente tout en conservant le même nombre de références.

Les couleurs des catalogues dé-matérialisés ne sont pas contractuelles.

La perception des teintes des papiers peints peut varier selon les types d’écrans et leurs réglages au moment de la consultation des pages concernées.

The virtual catalogs (PDF and on-line versions) have been optimized for better reading and observation comfort on screens.

Catalogs in traditional paper versions (provided to professional customers) are presented and laid out in a different way while maintaining the same number of references.

The colors of the de-materialized catalogs are not contractual.

The color perception of the wallpaper may vary depending on the type of screen and its settings when viewing the pages.
