RONALD REDDING DESIGNS®

Ronald Redding wallpaper designs are the epitome of the modern masterclass, artfully blending the timeless past with pioneering innovation. His signature air of effortless luxury is celebrated by design and industry professionals alike as the cornerstone of neo-traditional style.

24 Karat gold sets the standard for the finest quality of pure, precious metal. Such essence of perfection inspires this exceptional anthology of refinement and discerning taste.

DESIGN & MANUFACTURING

Long recognized for its collective talent, the York Wallcoverings design studio maintains a reputation for innovative styling and fine artistry. With design expertise in all available wallcovering product types including residential, commercial, high performance and peel and stick, York's creative studio staff is in the unique position to layer design, technologies and manufacturing innovations to bring their vision to print reality.

As the exclusive provider of rare Surface Print technologies in North America, and the only manufacturer with all five wallpaper printing types housed under one roof, York stands alone in experience and knowledge among its peers; utilizing authentic, genuine handcrafting and artisanship dating back over more than a century.

It is this design heritage which defines York Wallcoverings portfolio as the most diverse within the wallcoverings industry today. York's visionary adaptability and resilience withstands the test of time, steadfast in dedication to excellence of design and innovation with a focus on the future.
